THOUGHT FOR THE WEEK

Jesus contrasts himself in the work of a Shepherd against those who would hurt, use and destroy people, instead of taking the good qualities of the Shepherd to grow, to care for & love people, bringing them into Kingdom values. As Christians we ought to see our work whatever it happens to be – as service to others. If we do this we are being good Shepherds to all God's people. For each one of us has this gift to care, to be compassionate, to become real and present for others – to listen and to receive in return.
